

*Parution dans le catalogue Bretagne international  
du salon Vitafoods 2008  
distribué à tous les visiteurs et participants  
Mai 2008*

## **NUTRAVERIS**

STAND 115

### **NUTRAVERIS Scientific & Legislative Consulting company**

We support innovation, formulation, scientific demonstration and we validate the legislative status: food supplements, fortified foods, plants.

### **NUTRAVERIS'LEGIS Legislative Expertise**

- Authorisation of new ingredients
- International notification registration & mutual recognition
- Health claim files & EFSA submission in the scope of regulation 1924/2006.

### **NUTRAVERIS'IRIS Innovation, Argumentation, Scientific survey**

- Online scientific data-base: efficacy and safety studies on 1 400 ingredients allowed in Europe... by health relationship (sliming, skin, tonic... ), models (animal, human...), conditions of uses, nature and grade of evidence...
- Scientific files and argumentations to justify claims.
- Formulation and support until the market launch: choice of ingredients, dosage, suppliers, galenic development, clinical studies and toxicological assessment...
